**MESSAGE FROM THE PASTOR**

Christ's peace to all on this 22nd Sunday of Ordinary Time!

*"For every one who exalts himself will be humbled, but the one who humbles himself will be exalted."*

From the moment that the Most-High God pours himself out into the flesh of humanity to the last moment of the crucifixion in which he gives up his spirit and dies for the sins of mankind, Jesus teaches us that authentic love is realized most perfectly by walking the path of humility.

The satanic pride that lies at the root of all our sinfulness makes us prone to seek out worldly wealth and honor in the presence of others. Even when we seek to be good and generous with what we possess, our motives are not always pure.

Jesus gives us the remedy to our pride. No matter how great your worldly status, take the lowest place; do the work that seems beneath you; be generous to those who cannot repay you; do not seek the thanks and praise of men. True joy consists in this, because the God who humbly provides so much will provide even more to those who imitate his divine love.

In Christ Jesus,  
Fr. Al
